

Sutton school is near the city of Canberra but has lots of farms around as well as some Australian bush behind us. We are hot and dry in Summer and can even get snow in winter.

The school we compared our square to was Ferrisburgh. In winter they have snow and summer they have very hot days. They are in the country.

Sutton School

We think our squares are alike or different because we found a spider and Ferrisburgh didn't.

We enjoyed the Square of Life because we got to investigate our square and objects.

Our Square

Ferrisburgh's Square
