

Ms. Cordier's Pre-K Class
Kiker Elementary School
Austin, Texas
Square of Life
Final Report

Our class skyped with another Austin
ISD Pre-K class at Sanchez Elementary
School about our Square of Life
results. Here are the comparisons:

Both of our classes found rocks and
dirt and trash. The Sanchez class
didn't find a plastic cup, but we did.

Both of our classes found grass,
leaves, and yellow flowers. Our class
found berries, acorns, stickers,
pinecones, pine tree, Lanced Leaf
Goldenrod, Juniper tree, crabgrass,
Bosnian pine tree, Oak tree, moss,
purple flowers, and clover. The
Sanchez class found pecans and a pecan
tree.

Both of our classes found ants. Their
class found a bee, a beetle, a ladybug
and feathers. Our class found a wasp,
a bug, an orange butterfly, a
silverfish, a white butterfly, a

spider, a dragonfly, a yellow
butterfly, mosquitoes, and a fly.
