January 2009 Hot Spot

Center for Improved Engineering and Science Education (CIESE)
Stevens Institute for Technology

CIESE fosters excellence in teaching and learning science, technology, engineering and mathematics (STEM). The Center develops curriculum materials, conducts professional development programs, and researches new methodologies that strengthen STEM education, particularly in ways that incorporate new technologies.

Complete your collection of Ask Dr. Math books--the fourth book is now available, covering a typical high school geometry class. *Dr. Math Gets You Ready for Algebra*, *Dr. Math Explains Algebra*, *Dr. Math Introduces Geometry*, and our latest, *Dr. Math Presents More Geometry*, are all in stores now.
